

Freedom of information compliance statistics - 2025 quarter one

Totals for quarter one:

- **211** freedom of information requests (FOIs) were raised
- **175** or **83%** of FOIs were completed within 20-day statutory deadline
- The remaining **36** took over 20 days to respond
 - Of the 36, **25** were given extensions. This was slightly higher than normal as a result of movement over to the new system
 - Most delays were due to the volume of information being collated, the time required to review the material to determine whether any exemptions under the act apply and officer availability

Graph: FOI and EIR outcome

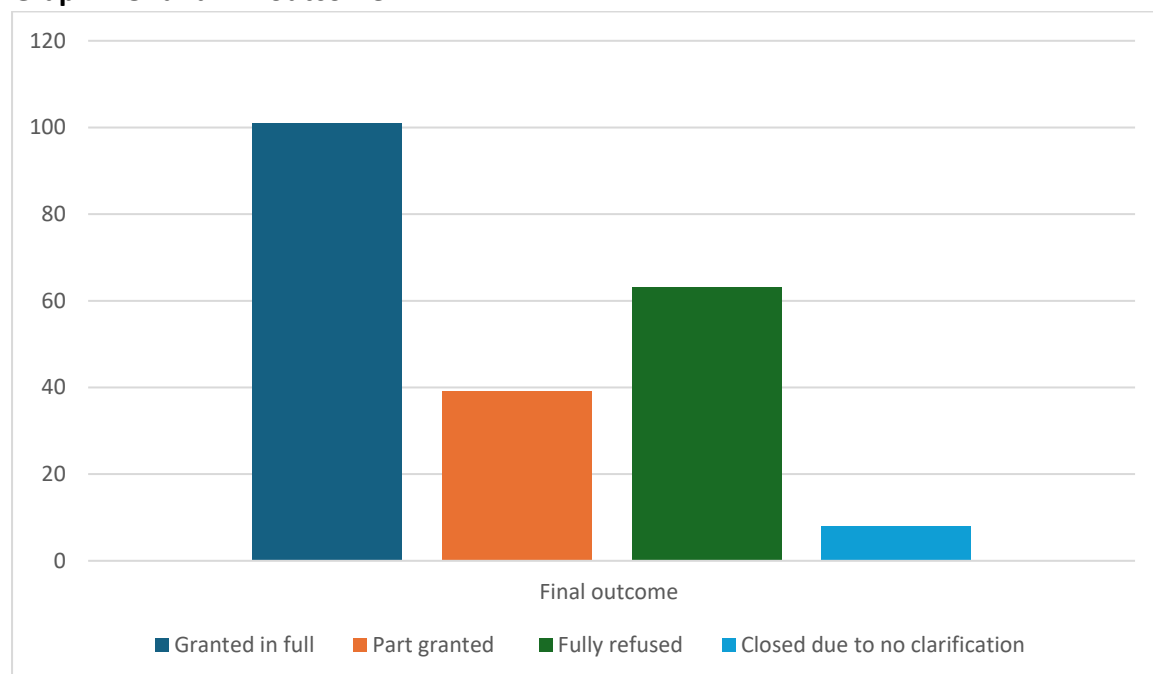

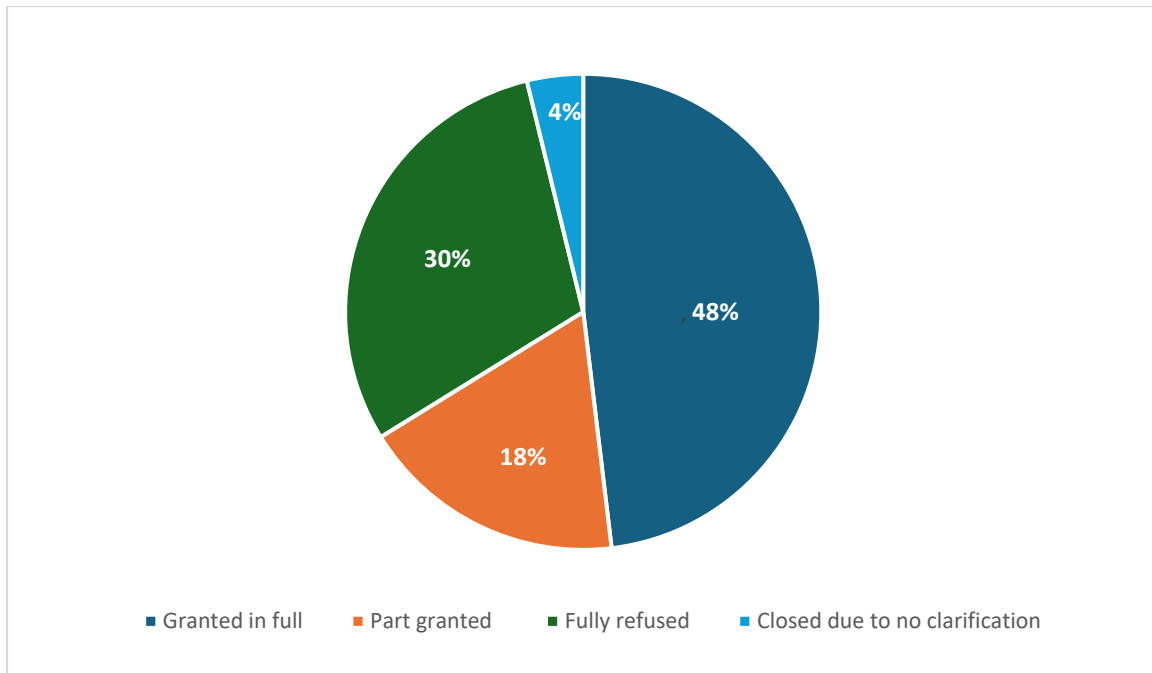

Chart: final outcome

Further breakdown of compliance statistics:

Type of request	Number
The number of requests received during the period	211
The number of the received requests that have not yet been processed	0
The number of the received requests granted in full within the statutory deadline	84
The number of the received requests that were closed due to a lack of clarification	8
The number of the received requests where the processing took longer than the statutory deadline	36
The number of requests where the information was granted in full	101
The number of requests where the information was refused in full	63
The number of requests where the information was granted in part	39
The number of requests received that have been referred for internal review	3
