**Q1 Given the need to find savings of £1.15m in 2012/13, do you think the council has compiled a list of proposals which is broadly acceptable given the circumstances?**

Yes	
No	

**Q2 Are there any proposals for cuts which you do not support?**

**Q3** If you have answered **No** to Question 1, what savings could be made instead of the proposals you do not support?

**Q4** Given the need to make further savings in future in response to more reductions in government funding where should the council continue to look to make savings? Please identify any services where you believe the council should reduce, or stop funding.

**Q5** Finally, do you have any general comments on the proposed budget?

Thank you for taking the time to give us your views on the proposed 2012/13 budget. Your views will be taken into account by councillors when they decide on the final budget.
