1	Whole document	1667 / 202 / /	General comment: The essential character of the three Charlton Kings Conservation Areas must be maintained, which includes carrying out repair work to maintain the character.	None.	Comment acknowledged.	None.
2	Report Sustainability Appraisal Report	1702 / 371 / 69 /	Supporting statement: We welcome the Sustainability reports and are also pleased that you have incorporated some of our comments and proposals.		Comment acknowledged.	None.
3	Report Sustainability Appraisal Report	1707 / 371 / 69 /	General comment: Although some of our comments relate to the indicators for water quality (Table 7A & Appendix 2) other comments relate to surface water run-off. The Strategic Flood Risk Assessment (SFRA) does not provide information on water quality as mentioned in your comments in box 5.	We would therefore recommend that you review your comments in boxes 4 and 5 on page 38 of the report.	This issue is beyond the scope of this SPD.	None.
4	Report Sustainability Appraisal Report	1712 / 371 / 69 /	General comment: In your response to some of our previous comments, you have highlighted that some recommended indicators would be added to future scoping reports. We understand you have submitted the final version of the SEA/SA reports and we	Clarify which future scoping reports you refer to in Table 13.	These issues are beyond the scope of this SPD, however, the data will be added to future Scoping Reports on the appraisal of documents that can influence this issue such as that for the Joint Core Strategy.	None.

			would therefore welcome further explanation of which future reports you refer to.			
5	Report Sustainability Appraisal Report	1717 / 371 / 69 /	General comment: In Table 10 (Derivation of Sustainability Objectives) the sustainability issue 'Car ownership' might have been added in the "Water" theme by mistake.	Remove 'Car ownership' from the "Water" theme.	Comments acknowledged and agreed. The sustainability issue 'Car ownership' has been placed under the "Water" theme in error.	The sustainability issue 'Car ownership' will be placed under the "Transport" theme which will be added in to rectify this.
6	Report Sustainability Appraisal Report	1740 / 510 / 153 /	Supporting statement: All of the SPDs (Sustainability Appraisal reports) stress the importance of green spaces, stating that 'It is hoped that they may retain, create and enhance open spaces for recreation and sport to improve wellbeing.' Health is another priority, as they 'Hope to improve mental and physical health and wellbeing and reduce inequalities.' We welcome this approach as potentially contributing to reducing health inequalities and reducing obesity.		Comments acknowledged and support welcomed.	None.
