IMPORTANT – THIS COMMUNICATION AFFECTS YOUR PROPERTY

Dear

**Property affecting amenity of
neighbourhood:**

**77 Marsh Lane Cheltenham
Gloucestershire**

My colleague visited you at the end of August concerning the above and seeking your co-operation in improving the condition of your property. A further inspection has been conducted and revealed that there has been no significant improvement in the condition of the property since then. Consequently, you will now find enclosed with this letter a formal Notice pursuant to Section 215 of the Town and Country Planning Act 1990 (as amended), together with information concerning your right of appeal to the Magistrates Court. The Notice details the list of requirements that I consider are the minimum works required to bring the property back to a reasonable standard and which will rectify the adverse effects your property is having on the amenity of the neighbourhood.

I would still urge you even at this late stage, to take the required action to resolve this matter as detailed in the Notice, within the next 28 days from the date of this letter.

Your failure to comply with this Notice will leave me several courses of action. Either or all of these actions may be pursued as follows:

1. A prosecution in the Magistrates Court for non-compliance with the s215 Notice – which could result in substantial fine if found guilty of an offence.
2. The council carrying out the works required by the Notice followed by action in the County Court to recover, from you, all expenses and costs reasonably incurred by such action.
3. Registration with HM Land Registry of a charge on your property, recoverable should your property be sold.

You may consider that these actions are radical steps that should be avoided. However I must make clear that, unless the requirements of the Notice are complied with in full, and within the specified period, I will proceed with a course of action described above.

Yours sincerely

**Martin Levick
