| The Rock | St. Peters | Tuesday Night Transition (TNT) | TNT (Tuesday Night Transition) is a term time Tuesday evening session for young people school years 6 – 8. These sessions have been designed to support young people through their journey (transition) of leaving Primary School and settling into Secondary School. The two hours (6.00-8.00pm) include games, workshops and a most importantly time for young people to make friends and spend time with other young people who are going through the same changes. | 3,328 |
| Charlton Kings Youth & Community Centre | Charlton Kings | "Watch Them Grow – Part II" | We want to deliver a junior youth club as well as maintaining our senior night, We currently provide a provision for 14-19 year olds, for young people so they can access a qualified youth worker for advice and guidance and also to develop social skills as well as accessing informal education whilst having fun. | 5,640 |
| Cheltenham District Scouts | Oakley | Cheltenham Scouts Development Project | Cheltenham Scouts would like to open a new Scout Group in the Whaddon, Lynworth and Priors area to be called Oakwood Scout Group. The Group would initially comprise of a Beaver Colony, 6-8 yrs olds, and a Cub Pack, 8-10.5 yr old boys and girls. | 1,000 |
| C3 Church | Benhall and the Reddings | Youth Café at the Pavilion | During summer 2012 the youth work team at C3 Church will be assisting the delivery of the Park Rangers activities in the Hatherley and Reddings areas. Having got to know some of the young people and as follow up to these activities we aim to engage with them through a weekly Youth Café at the Pavilion. We will provide a range of positive activities for young people aged between eleven and nineteen to include sports, games, arts & crafts and trips to other activities locally as well as providing a safe environment for them to socialise. | 1,495 |
| Granley Residents Association | Benhall and the Reddings | Street based youth provision | Granley Residents Association want to provide street-based youth provision for local young people, which would give them access to | 5,700 |
