3	Size, scale and "local nature" of proposed Local Green Space	
3.1	Area of proposed site	
	3 hectares	
3.2	Is the site an "extensive tract of land"? (Extensive tracts of land cannot be designated as Local Green Space) e.g. how large is it in comparison to other fields; groups of fields; areas of land in the vicinity etc.? Does the site "feel" extensive or more local in scale?	
	No	
3.3	Is the proposed site "local in character"? e.g. does the site feel as though it is part of the local area? And why? How does it connect physically, visually and socially to the local area? What is your evidence?	
	Yes, it is very local is character. The current park runs adjacent to Pilgrove Way but we would like to see this extended to include all the green spaces connected to it in the vicinity of the road as shown on the map above. The green spaces provide the lungs for the local community and are the only accessible green spaces provided for the local estates.
