4. An OS map at an appropriate scale which clearly identifies the proposed Neighbourhood Area

5. A statement explaining why this area is considered appropriate to be designated as a neighbourhood area.

The area is considered appropriate and practical to designate as a neighbourhood area as it covers the Springbank ward administrative area and would work as required to create a plan in conjunction with other wards or adjoining parish or borough councils where such plans may influence or be influenced by these areas.

6. A statement which explains how the proposed Neighbourhood Forum meets the conditions contained in Section 61F(5), Schedule 9 of the Town and Country Planning Act 1990

See attached Springbank Neighbourhood Forum Constitution

7. A brief statement setting out the main intention for establishing the Neighbourhood Forum

The Springbank Neighbourhood Forum has been established to promote the social economic and environmental well-being of the neighbourhood plan area, with specific aims of maintaining the open residential character of the neighbourhood, promote the availability, maintenance and use of green spaces, and encourage the creation of affordable housing where space permits, in a similar low density format complementing the existing neighbourhood area.

8. A copy of the written constitution for the proposed Neighbourhood Forum
