Dear Wendy Burden,

Cheltenham Borough Local Plan – Request for inclusion of late representation

I write in relation to the Cheltenham Borough Local Plan which you are in the process of examining. I wish to formally request that consider the enclosed representation as part of your examination of the Cheltenham Borough Local Plan.

The representation is dated 31 August 2018 and was received outside of the Regulation 19 consultation period. The representor is an agent acting on behalf of a landowner who owns land within a proposed Local Green Space designation. The agent claims that the landowner was not consulted and found out about the proposal after the consultation had closed. We have checked out records and a notification of consultation was sent out a previous agent of this land. Given that the landowner may not have been aware of the proposal affecting their land the Council consider that their representation should be taken into account.

Yours Sincerely,

Mr John Rowley
Planning Policy Team Leader
