#### [\*Further Comments\*](#)

The more important issues for conserving Cheltenham's heritage are:

- (1) there should be no splitting of the main Cheltenham Conservation Area (CA), which forms a **'whole Regency town'** comprising both 'genteel' and 'artisan' townscape, jigsawed together;
- (2) the proposed CA deletions in the Hatherley neighbourhood need reconsideration, (see my CLP Submission);
- (3) a Leckhampton village CA is overdue and is now urgent.
