Dear Inspector Burden

Thank you for permitting the Parish Council to be represented at the sessions on matters 3, 4, 5, 7 and 8. I attach a submission from the Council in response to your questions. I have formatted it as a single document because the responses are interconnected and the submission is short and may be best read as a whole. But I have separated each question on a separate page. I hope that this is satisfactory.

Yours sincerely

Dr Adrian Mears CBE
Chairman
