Dear Wendy Burden,

I am writing to provide you with the results of the Cheltenham Plan Proposed Main Modifications Consultation. The consultation ran from the 4th November till 16th December 2019 and was conducted in a similar manner to a Regulation 19 consultation.

A total of 84 distinct individuals responded to the consultation providing 118 comments. All responses will be provided to you alongside this letter. A summary table has also been produced which highlights the main objections to the Main Modifications and provides an officer comment.

At our Full Council meeting of the 14th October 2019, the Council unanimously supported the publication of the Cheltenham Plan Main Modifications. We believe that the Main Modifications represent a sound plan, having taken into account the full range of opinion through consultation, the Public Inquiry and your advice to us in 2019 following the Public Inquiry into the plan.

I trust you find our presentation of the information helpful and agree with our position that the plan is sound. We plan to present the final plan to our Full Council meeting on the 23rd March 2020, and we would be grateful for a timely response in order that we can progress our plan to adoption. Should you have any questions please do not hesitate to contact me.

Yours Sincerely,

Mr John Rowley
Planning Policy Team Leader
