Hi Paul

The application is to replace the buildings at the front and will not go into the car parking area.

I hope this helps.

Dear Beck

It has come to my attention as the Boroughs Mobile Home Licencing Officer, that Turners have recently made application to locate further static units adjacent to the Forge Mobile Home Park and on land currently providing the sites required parking as per the terms of the current site licence. Before any planning application is implemented you will need to demonstrate where the required site parking will be located.
