

COUNCILLOR SUZANNE WILLIAMS

SPRINGBANK COMMUNITY VOLUNTEERING

Suzanne has lived in the Springbank/Hesters Way area most of her life, both as a council tenant and as a home owner.

She is active in the community and currently organises the regular monthly litter pick in Springfields Park.

Recently, along with her borough council colleague Peter Jeffries, she has been helping to set up and volunteer for The Springbank Community Food Bank. Helping to provide food and other essential items to those families who most need it.

Suzanne said...

"Crisises bring people together and bring out the best in human nature. I noted the same in the 2007 floods and subsequent water shortage. On this occasion I have been amazed at the number of volunteers who have supported the project, giving up their time every day. In the space of just a few weeks the Food Bank has grown from a small project, to become a well run operation providing food parcels and other essentials, both locally and further afield."

The Food Bank can be contacted on 07545 324225 or by emailing: info@springbankfoodbank.org
