BOROUGH COUNCIL

Notice of Interim Review of Polling Districts, Polling Places and Polling Stations for Charlton Park, Lansdown, Leckhampton, St Marks and Up Hatherley Wards

The reason for the interim review is to ensure that all electors in Charlton Park, Lansdown, Leckhampton, St Marks and Up Hatherley Wards have such reasonable facilities for voting as are practicable and to ensure that polling stations are accessible to all electors including those with special needs.

What is a Polling District?

A polling district is the area created by the division of a constituency, ward or division into smaller parts, within which a polling place can be determined which is convenient to electors.

What is a Polling Place?

A building or area in which polling stations will be selected by the Returning Officer.

What is a Polling Station?

A room or building where the poll takes place, chosen by the Returning Officer for the election and publicised on the Notice of Poll or the Notice of Situation of Polling Stations and communicated via poll card after the Notice of Election.

The Acting Returning Officer for Cheltenham Parliamentary Constituency has made formal comment as part of this review both into the existing polling stations used and the polling stations that would probably be used based on any new recommendations.

We are looking for feedback on any aspect of the allocated polling area or polling stations used and invite representation and comments from interested persons. Local political parties and Councillors will be consulted and views are invited from residents as well as such persons as may have particular expertise in relation to access to premises or facilities for persons who have different forms of disability, as well as local community groups.

Any elector can make representation, which may include proposals for specified alternative polling places. All representations made throughout the consultation will be published along with the conclusion of the review.

The Acting Returning Officer's comments, a map of the current polling districts and a list of the current polling places and polling stations can be accessed on the Cheltenham Borough Council website from Tuesday 27 July 2021 at www.cheltenham.gov.uk/polling-place-review or viewed in person by contacting the office to make an appointment at Cheltenham Borough Council, Municipal Offices, Promenade, Cheltenham, GL50 9SA

Representations should be received in writing, by email or web form by Tuesday 7 September.
