This section provides / includes the purpose, aims and ambitions of the neighbourhood forum and enables it to demonstrate how its membership is representative of the local community.

Please set out the purpose, aims and ambitions of the proposed neighbourhood forum here:

The proposed Hesters Way Neighbourhood Forum purpose is to produce a Neighbourhood Plan, which will achieve amongst others the following goals;

- To further the social, economic, health, educational and environmental well-being of Hesters Way
- To allocate sites for business, retail and housing development including affordable housing
- To make public realm improvements

- To detail aspirations for transport, traffic and parking
- To mitigate the effects of climate change.

Membership is open to anyone living or working in Hesters Way, as well as any county or borough council member whose area falls within Hesters Way. We have gathered over 21 individuals including local residents and employees of local businesses plus the requisite local councillors to establish the forum (a list is attached). These members represent a wide range of local interests from across the area and consider themselves to be a 'relevant body' capable of being designated as a Neighbourhood Forum.

We have established a constitution for the forum to guide this project which is attached

Our vision statement is as follows;

"Hesters Way must be a safe, green and sustainable place that people are proud to call home, with work, leisure and community facilities that are accessible and inclusive and encourage community togetherness. It should be a beautiful and welcoming place where people thrive."
