Applying for an Animal Activities Licence

Guidance Notes

General

General and specific licence conditions should be read before completing this form and the appendix / schedule, to ensure you can comply with requirements.

[Dog Day Care general and specific licence conditions](#)

[Home Boarding for dogs general and specific licence conditions](#)

[Dog Kennel Boarding general and specific licence conditions](#)

[Cat Boarding general and specific licence conditions](#)

Certain persons are also disqualified from applying for a licence. You should visit www.cheltenham.gov.uk/animal-licensing for more details.

A valid application is made when a completed application form along with a completed relevant appendix /schedule are submitted with the required attachments and the appropriate fee (see below).

New and renewal applications should be submitted at least 10 weeks before the licence is required. This is to ensure paperwork can be checked, officer visits can be arranged, and any veterinary inspections undertaken. If no licence is currently in force the activity for which the licence is being applied for cannot be started / carried on and

any licensed activity must cease. It is a serious criminal offence to continue without a licence and such action can jeopardise future licence applications.

Return the completed form with the appendix and supporting documents by email to: licensing@Cheltenham.gov.uk or if not possible, by post to Cheltenham Borough Council, Municipal Offices, Promenade, Cheltenham, GL50 9SA.

Fees

Fees can be found at www.cheltenham.gov.uk/animal-licensing and payment should be made online at www.cheltenham.gov.uk/makeapayment.

The licence fee is split into two separate parts, both of which are non-refundable:

1. The **application fee** which is paid when you submit an application. This fee covers the costs associated with determining the application to the point that it is ready to issue.
2. The **issue fee** which is paid **after** your inspection. This fee covers the cost of issuing the licence and the follow up inspection.

Refusal of a licence

When the decision to refuse a licence has been made, the right of appeal exists through a First Tier Tribunal (General Regulatory Chamber). When a licence is refused a notice of refusal will be sent to an applicant who then has 28 days (including weekends and bank holidays) to make the appeal. Find out more at www.gov.uk/courts-tribunals/first-tier-tribunal-general-regulatory-chamber.

Renewals

Renewal reminders will be emailed 3 months before a licence expires. It is the responsibility of the licence holder to ensure a renewal application is made on time. You must apply for a renewal 10 weeks before the expiry date of the licence if you wish to continue your activity without a break. An inspection of the premises will be conducted before a licence is renewed.
