

Data requests for EIR and FOI compliance statistics – 2025/2026 quarter three

FOI Totals for quarter three:

- **201** freedom of information requests (FOIs) were received
- **163** or **81.1%** of FOIs were completed within 20-day statutory timeframe
- The remaining **38** were responded to after 20 working days.
 - Of these 33 had an extension applied and 5 did not. 8 requests with an exemption were responded to after the 40-day statutory timeframe.
 - Most delays were due to annual leave and capacity constraints within the organisation. We have since taken steps to reduce the number of extension through working alongside service areas and reaffirming our stance on managing delays.
